For 35 years, the Fisher House program has provided a home away from home for families of patients receiving medical care at major military and VA medical centers. These homes offer no-cost temporary lodging to military and veteran families, allowing them to be close to their loved one during medical care and focus on what's important—the healing process. There are 100 Fisher Houses\* located in the US, Germany, and United Kingdom.

\*As of January 2026

Fisher House Foundation has several other major programs:

**Hero Programs**—Allows donated frequent flyer miles and hotel points, combined with dollars, to bring family members to the bedside of injured or ill service members.

**Fisher Service Awards**—Recognizes innovative programs for military and veteran communities.

**Scholarship Program**—Provides scholarships to children and spouses of military families.
