

Fisher House Foundation Scholarship Programs 2026 - 2027 Academic Year

Fisher House Foundation (FHF), a 501(c)(3) organization, is dedicated to honoring the children of our nation's heroes through education. We administer the *Heroes' Legacy* and *Scholarships for Military Children* programs and host *Scholarships for Service*, a free scholarship search tool. These programs offer a unique opportunity for donors to make a profound, tangible difference in the lives of military families.

Heroes' Legacy Scholarship

Since 2011, the Heroes' Legacy Scholarship has grown from 23 recipients to 1,265 annually, with over \$18 million awarded to date. Each award—\$2,000 for the 2025-2026 academic year—helps children of service members who died or are 100% disabled pursue their dreams of higher education.

Eligibility

- Child of a service member who died or is 100% disabled with post-September 11, 2001, military service
- Full-time enrollment in a U.S. accredited two- or four-year undergraduate college or university
- Minimum GPA: High School = 3.0, College = 2.5 (4.0 scale)

Scholarships for Military Children

Through the generosity of sponsors, FHF has awarded over \$25 million to more than 14,300 military children. Each year, \$1 million is distributed to 500 deserving recipients, providing \$2,000 each to help them achieve their academic goals.

Eligibility

- Military Dependents under age 23
- Full-time enrollment in a U.S. accredited two- or four-year undergraduate college or university
- Minimum GPA: High School = 3.0, College = 2.5 (4.0 scale)

Invest in the Future of Our Nation's Military Children

By becoming a sponsor, you can directly shape the future of military children. Donors contributing \$25,000 or more will receive recognition on *fisherhouse.org*, in the FHF Annual Report, and through FHF and DeCA press releases. Additional acknowledgment may include a digital scholarship poster, newspaper mention (when available), and a highlight on LinkedIn. Donations received by June 30 will support the upcoming academic year.

Every Dollar Counts

100% of donations go directly to scholarships—FHF covers all administrative costs. Sponsors are encouraged to use the FHF "Proud Supporter" logo, showing your commitment to military families and their children's futures.
